Super Charge Your Team / ValSecrets.com

Her gifts have been changing people's lives since 2010.

Valeria begins by starting a with a unique "breakthrough" meditation that is effortless to the individuals. When the process is over, Valeria taps into the collective group and each of the individual's mental patterns that might be inhibiting the company from moving forward.

The Results For the Individuals;

- Clarity and focus
- Removal of anxiety and panic attacks
- Creative flow
- Awakened intuition
- Empowered intentions
- Alignment to self worth
- Removing patterns and blocks
- Awakened higher intelligence

Overall Benefits For the Company:

Unifying the company - less tension and harmony amongst the employees

Improved communication - more clarity of how to communicate needs and better understanding

Improves company morale - uplifting of spirits and good feeling amongst the office

Healthier employees - less absentees, eliminate tired employees

Increased productivity and performance - leads to increased profits and a healthier bottom line

Facts of the Times:

- Meditation has been brought to successfully advanced companies like Google, Apple, Deutsche Bank, HBO, just to name a few.

- There have been many Ted Talks that have shown the research and the results of meditation and energetic shift in the mind. Source example: "All it takes is 10 mindful minutes", Andy Puddicombe (watched by 6,648,475)

Short Bio:

Valeria Tignini has been called a renaissance woman. Val has worked for companies in fortune 500, luxury brand's corporations, along with dot com startups. Her work experiences led her to starting her own company in 2009, an online social media platform called Valsecrets.com. Her company quickly grew and had it's own TV Show produced by the BBC of Americas and aired on TLC. All in a matter of one year, after launching her dot come platform. Her success story was covered by Forbes Magazine and Forbes invited her to an honorable event for having an accomplished start-up when the company was only eight months old.

Soon after, one day at a flip of a switch, Val had an energetic awakening and suddenly she was gifted with talents such as awakened higher intelligence, intuition, understanding of mental patterns, and an ability to read what is happening to an individual on a physical level and more. She is known to unify and bring people together and create a cohesive vision for a group. This gift allows for the company to raise it's bar effortlessly.
